### **Rates**

- **Rate 1)** UNLV research and academic community on campus. Labor is charged when a student or laboratory research assistant/associate is required. Otherwise, discounted labor charges up to 2 hours per Principle Investigator per fiscal year. No laboratory usage fee is charged. The minimum charge is one hour. Must hire at least one EMITON employee.
- **Rate 2)** Effective after Rate 1 customers exceed 2 hours of service within the fiscal year. The rate includes a base laboratory usage fee and labor charges. Must hire at least one EMITON employee.
- **Rate 3)** Outside research agencies, individuals, or private companies. The rate includes a base laboratory usage fee and labor charges. Labor charges same as Rate 2. Must hire at least one EMITON employee.
- **Rate 4)** Renting of facility in half-day increments. Half-day is four hours. Entity renting facility supply their own EMC and APM engineers. Base rate includes only laboratory usage fee for the full four hour period and one hourly student.

***IN ALL RATE CATEGORIES*** - Added fixed charges include materials, maintenance, calibration, and consumables.
